## Keep Moving Forward!

We are four months in to 2018 and it has already been a busy year! We have had the opportunity to present our mission at churches in New York, Connecticut, Delaware, Texas, Kansas, and Washington. Because Melissa's mother has been in the hospital twice since the beginning of the year, Tony has done some of the traveling without her so she could help take care of her mom. It has been hard for us to be separated, but we are thankful that God has made it possible for Melissa to be in Texas with her parents and that Tony is able to continue to visit churches and share the vision that God has given us for the people of New York City.

We have had many exciting opportunities and have been privileged to meet so many encouraging people at each church we have visited. If you are one of those people, please know that we thank God for the chance to meet and get to know you. We were even able to spend a few days in New York City while we were on the east coast and we are so thankful for our time there. It gets harder and harder to leave each time because our hearts long to be there, but we know that God is preparing us for what is to come. We are excited for what God is doing and thankful that He continues to open doors for us. In May, Tony will be in Arizona for work on his Masters of Divinity program and then in Missouri to meet requirements as a reservist in the US Navy. This summer, we will be visiting churches in South Carolina, Virginia, Connecticut, New Mexico, and Utah. In July, we have an amazing opportunity to work in New York doing summer youth camps and evangelistic outreach projects in three areas of Queens: Rego Park, Rockaway Beach and Far Rockaway. We are so excited to be able to minister and love on the people in New York City. We are already praying for the people we will have the chance to connect with and asking God to prepare their hearts and ours as we minister to them.

We want to say thank you to everyone who has been praying for us. Your prayers are so very appreciated and felt in our day to day life. We could not imagine doing this without your encouragement and prayers! In addition to praying for our summer ministry in Queens, we have additional prayer requests listed in the box on the left.

God has given us a **DREAM BIG** goal that is only possible with Him leading the way. He continues to renew our passion and confirm for us that we are headed in the right direction and that He has it all under control.

*"Commit your work unto the Lord, and your plans will be established."*
