## Merry Christmas

We have only just begun deputation, and we have so much to be grateful for this year. We have traveled coast-to-coast, north and south, and we have been blessed with a number of new friendships and partners! God is so good! We are so thankful for the time that we get to spend together as a family.

As we close out 2017, we have much to be thankful for, and we have much to celebrate. We are thankful that God has called us to go to New York City to connect the people there with His Gospel message. We are thankful for how God provides for each of our needs. We are thankful for our friends and family who support us with their continued prayers. We are thankful we had the opportunity to share Thanksgiving with our friends and family in New York City. It was so exciting to introduce our children to their future home and watch them experience a little of what life will be like when we live there full time. They love the city as much as we do and we are so thankful for that.

As we reflect on the birth of Jesus Christ, we are encouraged by Joseph's obedience to God. An angel went to Joseph and told him his fiancé was going to "bear a son, and you shall call his name Jesus, for he will save his people from their sins" (Matt. 1.21). Joseph stayed with Mary based on faith. He trusted God. In the moments when we face uncertainty and fear, Joseph's faith is a reminder that God has something greater in store for us. Then on the night Jesus was born an angel appeared to shepherds and said, "I bring you good news of great joy that will be for all the people. For unto you is born this day in the city of David, a Savior, who is Christ the Lord" (Luke 2.10). As we think about the Christmas story, our hearts are filled with joy and awe. God loves us so much that He gave us His only Son. Thinking about His love for us makes walking by faith so much easier. His love makes everything we do worthwhile and we are so thankful that we will soon have the opportunity to share His love with the people of New York City.

Merry Christmas. May God bless you and your family. **Thank you for blessing ours.**
