

# FRALEY FAMILY

Missionaries to New York City

## Our Vision

To connect the people of New York City with the Gospel of Jesus Christ by planting churches in all five boroughs.

## Praise

God has blessed us with new financial partners.

Tony has been able to maintain school requirements while traveling.

Jackson continues to improve with his speech and sound therapy is making huge strides with his reading.

## Prayer Requests

That we continue to add financial partners. Our goal is to move to NYC by the end of this summer. That is only possible if we continue to build our team of supporters.

Continued safety while Tony travels. He will be traveling to Alabama, Arkansas, Tennessee, Georgia, Louisiana, and Texas in the month of March.

Start-up costs to move to New York City. We are asking for wisdom as we come up with strategies for raising the funds needed to make the permanent move.

The mission of Connect NYC is to connect the people of New York City to the gospel of Jesus Christ.

**6,161 miles driven in February with stops in New Jersey, California, Oregon, Utah, and Texas.**

Tony started February off with a weekend at First Baptist Church in Caldwell, NJ. It was a blessing to make this connection and see how God is using this church. He even met someone who knew the exact food cart in Queens that he always talks about in his presentation.

After leaving New Jersey, Tony headed across the country on a four-day drive to California with stops in Indiana, Missouri, New Mexico, and Arizona. His next stop was in Chula Vista, CA to present Connect NYC before heading to Anaheim, CA for the February BBFI Conference. This was a great week to not only meet up with old friends, but to also make many new connections.

After the conference, he headed to Tualatin, OR to meet with a new church and had the opportunity to build new relationships on the west coast. To round out the month, Tony made a follow-up visit to Utah to spend a few days with our friends at Morgan Valley Church. This was a great time to reconnect with the people there. Thank you to the Harm family for your prayers and encouragement while we raise our needed support.

After his time in Utah, Tony headed home to Texas for a week. It was a huge blessing to have him home. He was able to celebrate his birthday with Melissa and the kids. He was also able to eat lunch with Jackson at school, be the special reader for the week in his class, and also see Jackson awarded with the Outstanding Progress Award at school.

Special thanks to First Baptist in Caldwell, Lawrence Baptist Church in Indianapolis, the Wallace's in Springfield, Faith Baptist Church in Artesia, the Anderson's in Phoenix, the Dingleline's in Chula Vista, High Street Baptist Church, Mount View Baptist Temple in Tualatin, OR and Morgan Valley Church in Morgan, UT for providing places to stay in February. What an incredible blessing you have been to us.

### A Message from Tony

I want to thank all of you for your continued prayers and support during the deputation process. One thing that I have really learned through all of this is that living by faith is the most rewarding thing you can ever do. It is very difficult traveling by myself and being away from my family. Also, I know that Melissa doesn't have an easy job of taking care of our children and home by herself right now. The truth is, I wouldn't change this adventure for anything. I'm learning what it really means to rely solely on God in my daily life. I knew about spiritual warfare before deputation, but I didn't realize how much effort Satan puts into stopping us from faithfully following God's plan until we set out on this adventure. Your prayers are felt on a regular basis, and your encouragement and support help us stay strong and courageous each and every day. Please KEEP PRAYING! My family cannot do this by ourselves, so you are a great joy and blessing to us. Thank you so much!

If there is anything we can pray about for you, please contact us to let us know. We want to fight for you just like you are fighting for us.

*If you are not currently part of our financial support team, I would love to talk to you about partnering with Connect NYC*
